Paper 2

PRACTICAL INSTRUCTIONS

Oct./Nov. 2021

**THE KENYA NATIONAL EXAMINATIONS COUNCIL**

**Kenya Certificate of Secondary Education**

**ART AND DESIGN**

**Paper 2**

**PRACTICAL**

### **INSTRUCTIONS TO THE SUPERVISOR**

*The question paper 442/2 should be given to the candidates **one hour** before the start of the examination to enable them make sketches from the alternatives given on **plain A4-size paper** provided by the Kenya National Examinations Council. All materials required for the examination **MUST** be issued before the start of the examination and **NOT** when in session.*

*The candidates **MUST** be in the examination room within the one hour and should **NOT** interact with each other. The examination is treated as in progress from the time candidates enter the room until all the scripts including the sketches have been collected. During the practical examination the candidates may need to move around to access materials and tools placed at a central point.*

*The use of computers is **NOT** allowed. No foreign materials such as scrap books, magazines are allowed in the examination room.*

*At the end of the **one hour**, issue the candidates with plain **A2-size** paper provided by the Kenya National Examinations Council; to start the examination which will run for **three hours** as indicated in the rubrics on the question paper.*

*The Art and Design teacher should **NOT** be within the precincts of the examination room while the examination is in progress. The Supervisor should ensure that painted work is **COMPLETELY** dry before packing, including the sketches done on **A4 size** paper.*

*The artwork should be packed **flat** and **NOT** folded or rolled in the manila envelope provided. No additional packaging material should be used. Nothing should be stuck on the **A2** manila return envelope; neither should the school name or code be written on it. The **sticker bearing the school name and code** that comes printed on the return manila envelope provided should be removed before it is returned to the distribution centre at the end of the examination.*
