GRADE 5 / ENGLISH

1. Read aloud (15mks)

One evening, Adam and his father were walking down the streets with some groceries. Just then they saw a car rammed into a bookstore. Adam's father asked a man what happened and he replied. The car driver lied to his father that he can't see without spectacles. They both were in the car when the accident occurred. The father is seriously hurt. I am sure the boy regrets ever lying!" Adam's father looked at Adam and said, "see Adam, a lie is so dangerous! it can hurt people! Adam realised the huge cost of a lie and stopped lying.

3. Read and answer the questions below (10mks)

Teacher: Today we will talk about occupations. Tell us what you would like to be in future. Explain why you want to become that.

Juma: I would like to be a pilot when I grow up. This way I can visit many countries.

Auma: I think a doctor is the most important career. Doctors save lives and treat us when we are sick. Even when being born doctors help bring new life on earth.

Koech: I disagree, I think engineers are the most important pilots and doctors would have no machines to use in their work if we had no engineers to design planes and medical equipments.

Kamau: I don't like how dirty our towns are. I would like to be a garbage collector so all people can have a clean place to live and work.

Teacher: Well done pupils. You have spoken well. However, please know that all of us need one another. Just imagine if we did not have some occupations what if we had no police officers for example?
